SHOWROOM UPDATES

We are always updating our fabric samples and displays in the showroom.

Come in for a coffee and chat about how we can help you transform your home with new curtains, blinds or even just some design advice to restyle a room!

We have many years of design experience and take so much pride in our work with follow up phone calls and extra inspections after installation to make sure our customers are happy.

It is really satisfying knowing someone is completely happy with their home transformation

We offer a wide range of services including Property Restyling whether it is to assist with the sale of a property or just to help balance the look of your home we are able to help.
